Methodist Picnic Is Happy Affair

The First M. E. Church enjoyed a unique picnic on its own grounds and the park opposite the church last Saturday afternoon and evening. Under the skillful leadership of Miss Mowry the little children were made happy.

A week end guest of Mr. and Mrs. P. J. Young of Cota avenue was Mrs. George C. Howard of Riverside.

Mr. and Mrs. E. N. Tomkins were week end guests of Mr. and Mrs. Ralph Clever of Fullerton. They all attended the Masonic picnic at Orange County Park, and returned to the Tomkins home on Gramercy avenue for dinner. Other guests were Misses Genevieve and Elizabeth Clever of Fullerton; Misses Mildred, Edna and Margaret Richard and Victor Gossiaux.

Comedians Take Two More Games

(Continued from Page One) Roberts and Quigley chucked nice for Tansey until the fatal sixth when Quigley weakened. Umpire Buck worked in his usual excellent game.

P. E. Defeats Barbers
In the first extra inning game of the championship play off the Pacific Electric car herders took the Tansey tonorial artists for a buggy ride, for which no thanks were given. It was thrilling and full of action from start to finish.

The Tanseys started out by scoring four runs in the first on five hits and an error. P. E. came back and tied it up on four hits plus a complete base. Tansey scored the second on a hit and error. P. E. called them and raised them in their half of the second by scoring two on three hits and an error. P. E. scored again in the third and fifth to total eight. Tansey scored in the fifth on a sixing triple by Scott and a sacrifice by Ruppel. Scott started the scoring again in the seventh with a hot two bagger. Ruppel was safe on a fielder's choice and hits by Lessing and Paige scored the two runs that tied it up at eight all.

Several acts of vaudeville, vocal numbers, dancing and refreshments made up a delightful evening.

Comedians Win Again

Murphy's rollicking gang of ball tossers from the Union Tool Co. made it nine straight by defeating the San Pedro Lumber Co. winners of the San Pedro Industrial league by a score of 13-6.

The Tanseys took Col. Steel to the field. The barbers demonstrated just why they are one of the league leading teams by trouncing the Columbia Steel aggregation 13-2 last Wednesday evening. They scored two in the first and kept scoring every inning till the finish. They out hit the steel boys 9-3 and played well in the field. Phillips and Von Hagen particularly handled their positions in good style. McLean and Watson were the best hitters for Tansey while Mathews, Perry and Wray were the only ones to hit safely for Columbia Steel.

Kiwanis Roms on Rotary

In the closest game of the series the Kiwanis "Bears" climbed over the rotary "Bears" for the second time and scratched their way to a 9-8 victory. It was anybody's game all the time with Rotary having an edge most of the time. They started out with a barrage of hits that netted four runs, when Scott hit a home run

IN SOCIETY

Morris, Mr. and Mrs. Guy Mowry, Mr. and Mrs. Russell Budge, Mr. and Mrs. Edward Erickson, Mr. and Mrs. Orville Hall, Mr. and Mrs. R. C. Welch, Mr. and Mrs. A. W. Rhodes, Mr. and Mrs. C. N. Howard, and Mrs. W. C. Andrus, Mr. and Mrs. Clyde Totten, Miss Etta Mowry, Miss Ecker and William Creighton.

Dr. T. C. Young Says We'll Be Flying to Tokio in 1950

Dr. Thomas C. Young, aviation enthusiast and president of the Glendale Kiwanis Club, flew to Torrance last Friday to address the Torrance Kiwanis on the past, present and future of aviation in the United States.

Rotary outfit Kiwanis 11-12 but fell down in the pinches.

With the score 9-6 against them in the sixth the Rotary started a great rally that scored two runs and should have scored more. Gutfenfelder, first up, hit a screaming three bagger and Post followed with a double. Scott tied out but Bilger smacked one of Rappaport's choice for three bases, scoring Gutfenfelder and Post. Wood walked and Palmer hit into a double play that ended the agony for Kiwanis. Levy pulled a regular Dick Merril well catch to retire the side in the sixth inning. Gutfenfelder, Post, Scott, Bilger and Wood were the heavy hitters for Rotary, while U'bright, Rasmussen, Ripps and Scott featured for Kiwanis. This man Bill Scott must be the "Great Scott" we hear so much about as he pounded out four safe hits in four times at bat.

RUMMAGE SALE

The Torrance Relief Society will hold a rummage sale next week, beginning Thursday, at the store building, corner of Cabrillo avenue and 218th street.

City Council Puts Tax Rate Down

(Continued from Page One) rate was based, are as follows:
Old City \$ 9,458,360
Northwest Torrance 3,030,945
Meadow Park 3,791,990

Total \$16,281,295
The assessed valuation for the Old City represents a reduction of approximately one million dollars over last year, an adjustment toward which a long campaign had been waged. The \$3,030,945 assessed valuation of Northwest Torrance is an increase of approximately 100 percent over the fiscal year 1926-1927, representing additional assessed valuation of a million and a half—more than over-

coming the Old City reduction, Meadow Park, with its inclusion in the city's assessed valuation this year for the first time, represents a clear gain of \$3,791,990. The increase in the assessed valuation of Northwest Torrance was due largely to increase of personal property. The assessed valuation of Torrance for the fiscal year 1926-1927 was \$12,223,075, against \$16,281,295 for the year 1927-1928. Torrance's tax rate, already among the lower municipal taxes in Southern California, now ranks among the lowest in the state and compares with low municipal taxes anywhere in the country. The Council gave the new rate much thought. When the first ordinance came up for second reading and adoption on August 22, action was deferred to allow further contemplation. The Council met again on August 26, and took final action for a still lower tax on August 29.

"Next Door, to Rappaport's"

This season has been in our favor--

We had a hunch January 1st that cotton goods were a good buy at prices based on 11 3/4 to 12c cotton. Our future orders were heavy. Then came the great disaster in the Mississippi valley. Our close association with a leading St. Louis house put us in touch with merchandise at inside prices. Then, two of the leading dry goods jobbers of Los Angeles decided to close out their stocks. We have bought thousands of dollars of staple merchandise at less than mill cost prices, based on last season's costs—not on the advanced market.

THIS WEEK MILTON COOPER AND SON TAKES THEIR INVENTORY. The writer of this ad took a last shot at some of their men's underwear—men's shirts—women's and children's underwear—women's and children's silk and silk and fibre hose—men's wool shirts—men's overalls—boys' overalls—boys' shirts—they lost their profit, they lost the freight and furthermore they lost a good percentage of their original costs. **WE BUY DIFFERENT, WE SELL DIFFERENT.** We closed a deal a few days ago for a lot of merchandise at New Orleans at last season's prices, mill shipments transferred to the Pacific, owing partly to the flooded condition in their territory. We do not create, nor do we wish anyone any disaster in their business affairs, but we are prepared with the cash and the outlet to take advantage of conditions as they shape themselves, to be able to furnish TORRANCE with standard merchandise at lower prices for cash. We are today doing business on a runaway cotton and leather market. Bear this in mind, that what goes up in the air always comes down. We own plenty of low price merchandise, over \$90,000 worth of goods, at cut prices at Torrance and Redondo. So watch your step, pay no premiums to anyone. Get our prices first. Do not detour. Come direct for bargains.—We are here to stay.
